### Description

A Continental WW1/WW2 Era Black Leather Holster For Military 9mm Calibre Semi Automatic Pistols Marked 'F8' & Two 9mm Calibre Magazines. L 323

A Continental WW1/WW2 Era Black Leather Holster For Military 9mm Calibre Semi Automatic Pistols. The holster made of black leather is undamaged with all stitching intact. It measures 11 1/2" x 6 3/4". The throat of the holster is 5 1/2" wide. The distance from throat to muzzle end is 9 1/2". It has a full flap cover with brass plate reinforced slot and riveted leather strap loop for the long retaining strap which is riveted to the rear of the holster and passes over the front of the holster. The front of the holster has a sturdy brass plate with bar which fits the flap slot correctly. The holster has 2 open topped magazine carriers on it's front aspect. The tops of the carriers are covered by the flap when closed. The rear of the holster has two riveted leather tabs fitted with heavy duty sprung brass clips for either belt or shoulder strap carry. Between the tabs the holster is impressed 'F8'. The magazine carriers have 2 x 9mm calibre single stack 8 round magazines. The blued steel magazines have viewing slot, knurled steel button and end plate with extended tang that has a curved knurled end. Their springs are strong and load as they should. There are no manufacturer or model marks on the magazines. Price includes UK delivery. L 323
