Description

Inter War / WW2 era German Gerard Landlicht 4x Magnification Sniper Telescopic Sight For Mauser G98 & K98 Rifles With Leather Lens Protector Covers. Sn 18787 - 18787

The German Gerard optics company was a separate scope manufacturer from a Landlicht. Gerard was producing optics beginning in 1908. Landlicht purchased Gerard in the early 1920s and soon added both names to their scopes. This is a very good original WW2 era German Gerard Landlicht 4x Sniper Telescopic Sight for Mauser Gewehr98 and K98 rifles. The sight is undamaged and the optics with 3 post reticle function as they should. The blued steel tube is marked "Gerard Landlicht" above 'G'. One side of the elevation adjustment dial base is numbered '54721'. The scope measures 10" overall length. It is fitted with original period Akah DRGM (Deutsches Reich Gebrauchs Muster German Copyright / Patent) marked mount. The scope has its original, period, leather lens protector covers. The price includes UK delivery. Sn 18787
